The South Brunswick Islands Rotary Club donates 100% of the net proceeds from ALL fund raising activities to local, area and international charities. Not a single penny is used to cover the cost of normal club operations which are funded entirely by our membership dues.

The focus of our Club's fund raising continues to be the youth of our community, our state and the world. Locally, we have strongly supported the Peer Court programs at the High School and Middle School and Dixie Youth Baseball. All third graders in the local grammar schools receive a dictionary as a result of funds we raise. Grammar school students are also recognized with medals for their citizenship. We recently provided a field trip for sixth graders to the Museum of Coastal Carolina and the Ingram Planetarium to enhance their science curriculum. Each year, four students from West Brunswick High School participate in a three-day Rotary Youth Leadership program held in Pine Knoll Shores. Several \$1,000 scholarships are also available for our high school students. A fully-endowed scholarship at Brunswick Community College is being funded. On a state basis, our Club has joined with others in our District to support the program at the Boys and Girls Home in Waccamaw. Internationally, Rotary has lead an effort to eradicate polio in the world as well as provide medical care, food and drinkable water to children in many third world nations.

We thank you for your continued support.
